- a. Within seven (7) days of the contractor's receipt of payment from the VFHY, a contractor awarded a contract under this solicitation is hereby obligated:

The date of mailing of any payment by U.S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the VFHY.

The same markup shall be used for determining a decrease in price as the result of savings realized. The Contractor shall present the VFHY with all vouchers and records of expenses incurred and savings realized. The VFHY shall have the right to audit the records of the Contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the VFHY within thirty (30) days from receipt of the

written order from the VFHY. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract or, if there is none, in accordance with the disputes provision of the VPPA. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this contract shall excuse the Contractor from promptly complying with the changes ordered by the VFHY or with the performance of the contract generally.
